

**ASHRAE LI Chapter**  
**2023 Engineer of the Year Award**  
**2023 Young Engineer of the Year Award**

We are pleased to announce the call for nominations for the Annual Engineer of the Year (EOY) and Young Engineer of the Year (YEOY) Awards for 2023. Awards will be presented during the June Meeting at the Westbury Manor

EOY and YEOY are the highest awards given to individuals by the Long Island ASHRAE Chapter. Each award is presented to an engineer who has made outstanding contributions to the engineering profession, the public welfare, and humankind.

This award provides the New York engineering community the opportunity to recognize outstanding individuals worthy of these honors.

The following schedule summarizes the events leading to selection of the 2023 award recipients:

|                         |  |
|-------------------------|--|
|                         | Select process will be conducted by the BOG for the Long Island ASHRAE Chapter                                   |
| Monday, April 3, 2023   | Submit electronic (pdf) copies of the application packages for EOY/YEOY candidates <b><u>by 5:00 pm EST.</u></b> |
|                         | Application packages will be distributed electronically to all BOG for review.                                   |
| Wednesday, May 10, 2023 | Awards Recipient will be notified and requested to attend Awards Banquet if possible.                            |
| Tuesday, June 13, 2023  | Past Presidents and Officer Installation Awards Banquet  |

All submittals shall be directed to:

**ASHRAE LI Chapter**  
**2023 Engineer of the Year Award**  
**2023 Young Engineer of the Year Award**

**Qualifications/Method of Nomination:** All engineers are eligible for nomination, provided they are members in good standing of their engineering society, are citizens of the United States, and are active in an engineering profession in the State of New York. Candidates for the Young Engineer of the Year Award shall be 35 years of age or younger on December 31, 2022.

All nominations not selected for an award shall remain anonymous.

**Eligibility Requirements:**

Engineer of the Year (EOY):

1. Member in good standing of their engineering society.
2. Active in an engineering profession

Young Engineer of the Year (YEOY):

1. Member in good standing of their engineering society.
2. 35 years of age or younger on December 31, 2023.

**Nomination Format:** Applications should be prepared without participation of the nominee in any way. There is no prescribed form to be completed; however, the nomination package must contain the following sections:

- A. Nomination Form
- B. Statement of Nomination.
- B. Statements of Recommendation.
- C. Biographical Information.

Please refer to Guidelines for the Application Package (attached). An electronic (pdf) copy of the nomination package shall be submitted to:

Brian Simkins  
Accuspec Inc.  
(631) 278- 1652 (cell)  
E-mail: [bsimkins@accuspecinc.com](mailto:bsimkins@accuspecinc.com)

**Selection:** The ASHRAELI Chapter BOG will select the candidates to be recognized as EOY and YEOY.

Engineer of the Year Award 2023  
Young Engineer of the Year Award**

**Guidelines for the Application Package**

**A. Nomination Form:**

The nominating person(s) shall complete the Nomination Form.

**B. Statement of Nomination:**

The nominating person(s) shall prepare a typed statement supporting the selected candidate for consideration for the Engineer of the Year (EOY) or Young Engineer of the Year (YEOY) Award. The nominating statement shall be signed and dated by the nominating person.

**C. Statements of Recommendation:**

Statements or letters shall be written by engineers, knowledgeable of the candidate's achievements and characteristics worthy of consideration to support the nomination. These statements shall be written to provide a concise picture of the candidate as an outstanding engineer and citizen and shall be signed and dated by the author.

**D. Biographical Information:**

The biography should cover, but need not be limited to, the following items:

- Education, including continued education;
- Licenses held (licensure not required);
- Memberships in both technical and non-technical organizations;
- Industrial experience;
- Engineering experience;
- Engineering research and development experience;
- Technical and non-technical papers authored;
- Patents held;
- Service to the profession;
- Service to the community and for the benefit of humankind;
- Honors or awards bestowed (technical, professional, governmental, educational, and civic);
- Unusual assignments;
- The individual and their family; and
- Support of, and participation in, unusual or interesting activities

The above items are to be included in the biography as they apply and should provide a clear portrait of the candidate as an outstanding engineer who has exhibited exemplary behavior in their interactions with society and the environment.
